

Taiwan International Assembly of Space Science, Technology, and Industry

NOV.30 - DEC.04, 2024
Kaohsiung Exhibition Center, Taiwan

Topics & Subtopics

01 Spacecraft/Satellite Development

- 0101 Space Missions
- 0102 Spacecraft System Engineering
- 0103 Spacecraft Component Development
- 0104 Spacecraft Payloads
- 0105 Spacecraft Integration & Tests
- 0106 Other Spacecraft Development Related Topics

02 Launch Vehicle Research and Development

- 0201 Launch Vehicle Systems Engineering
- 0202 Launch Vehicle Propulsion System
- 0203 Launch Vehicle Structural System
- 0204 Launch Vehicle GNC System
- 0205 Sounding Rocket Missions
- 0206 Launch Complex Development
- 0207 Any Other Subjects Pertaining to Launch Vehicle Research and Development

03 Ground Segment Development and Application

- 0301 Remote Sensing Satellite Image Processing
- 0302 Satellite Communication/Navigation Applications
- 0303 Satellite Operation & Control System
- 0304 Innovative Development of Satellite Ground Stations
- 0305 Other Ground Segment Development and Application Related Topics

04 Comprehensive Topics

- 0401 Space Policy and Law (including International Cooperation)
- 0402 Space Education
- 0403 Space Security
- 0404 Space Industry Development
- 0405 Space Environment
- 0406 Other Topics Related to Space

Aug.30, 2024 Deadline for Submission of Abstracts

Sep.23, 2024 Acceptance of Abstract Notifications to All Authors Completed

Call for Papers

TASTI 2024
