全球集思論壇 (GIS Taiwan) 為臺灣最大國際性學生學術論壇，每年舉行五天論壇，匯聚各領域學者、企業界領袖及世界各地的學生代表，提供全球領導者與學生一個跨領域、跨世代產官學交流平台；期許青年學子能從中進行與年度主題相關的深度討論，並進行深入研究及情境探討。

The Global Initiatives Symposium is Taiwan's first and largest international student forum. Held annually in July, the five-day conference bridges education and application, providing an interdisciplinary and cross-generation platform. By assembling scholars from various fields, leaders from business enterprises, and other experts, student delegates will have the opportunity to create a practical impact project at the end of five days.
